

Manifesto for Council Housing

- **first class council housing—decent, affordable, secure and accountable**
- tenants keep security of tenure—no watering down our rights
- **do the repairs, improve our estates—clear the £19 billion backlog with no strings attached**
- well-managed, good quality housing services—guarantee proper jobs, with security and training
- **build new council homes to meet housing need**
- a tenants' vote on any changes—honest debate and equal funding for tenants' organisations and campaigns
- **spend our rents on our homes—not on fat cats, consultants and Daylight Robbery**
