

Blackhawk Down

Scenario by Cpl Dom Beaudoin, Sudden Harm

Storyline:

Following the disastrous Operation Gothic Serpent, SFC Randy Shughart and MSG Gary Gordon two Delta snipers find and protect Night Stalker pilot CW4 Mike Durant, sole crash survivor of Black hawk helicopter, callsign Super 64. Ranger forces fast-rope down to the top of the Hotel and must fight their way to the crash site in order to bring back the crash site members to the rescue helicopter, above the Hotel.

Timeline:

1640 — Second helicopter crash (Super 64): Mike Durant's Black Hawk, Super Six Four, is hit and crashes about a mile southwest of the target. Hostile crowds begin moving toward it.

1703 — Emergency convoy dispatched from Command and Control: a smaller, emergency convoy Quick Reaction Force is dispatched in an attempt to rescue the men stranded at Durant's crash site. Total time, 23 minutes

Game Objectives:

Green team (Delta Force) objective:

- Must protect Night Stalker from within the Mountain or Church and await Rangers for rescue and return to the Hotel

Blue team (Rangers) objective:

- Must deploy from the Hotel 2nd floor and rescue crash-site party by returning them to the Hotel.

Red team (Mogadishu Militia):

- Must stop U.S. forces from capturing rescuing crash-site members.
