Emergency phone number at Pennsic

The emergency number for Pennsic is 724-368-8741. (This number will only be active during Pennsic.) Someone at Info Point will answer the phone. There is only one incoming line, please tell people left at home to call only in emergencies. They must leave your full real name, your SCA name, and the name of the group with which you are camping.

If there is a message for you, your name will be posted on a board in front of Info Point. We can only attempt to deliver a message for extreme emergencies. If you have reason to believe that people at home will need to reach you for non-emergency reasons, we suggest you regularly phone them to check in, rather than telling them to call the Emergency number.

Seneschal Slot Coming Open

THL Thorgrim Skullsplitter will be stepping down as Seneschal in September. If you wish to step up and fill his shoes, you may do so by contacting him via email, phone, letter, verbally, face to face, carrier pigeon, fax, signal fire or any other form of communication he can understand. But you must do so before the September meeting. ... So make it quick...

Last Month's Newsletter Missing

Last month's entries were a little light. ... Well, okay—they were non-existent. And my computer crashed, so what little I scraped up was lost anyway. So this month's letter will have do. To avoid this in the future, consider sending your newsletter additions to megancoriale@yahoo.com

Stefan's Florilegium Files

A Blending of the Past and Present

Over the past sixteen years in an ongoing effort, I have been collecting bits of useful information from various newsgroups, mail lists and articles submitted to me by their authors. In order to make this information available to others, I have placed this information in a series of files I call Stefan's Florilegium.

The Florilegium is on the web at: <http://www.florilegium.org>

I am always interested in new articles. If you have written an article that would be of interest to others in the SCA, please send it to me for possible inclusion in the Florilegium. Contact me for more details.

I am also interested in volunteers who might be interested in helping me maintain the Florilegium. Everything from collecting materials, editing and web work is needed. Again, please contact me for more details.

For those who would like to help support the Florilegium project in another way, I have added a PayPal donation button on the top page of the site. Any donations, while not tax deductible, do help pay the overhead costs of keeping the site running.
