

FRUIT

[INTRO]

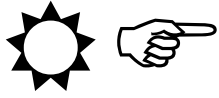

[VERSE]

Drop your silver
Buy a tangerine
Help a friend
Stay pretty lean
Give em papaya
They'll eat anything
Now listen while I eat
My Green Tangerine

[2'nd VERSE]

Watch the big red apples
Start to shine
Reflections on the peaches
That are mine
When you toss a pineapple
Hear them scream
Now listen while I eat
My Green Tangerine

[BRIDGE]

FRUIT

[3'rd VERSE]

Drop a prune
Before I walk away
Any fruits you eat
Will make you pay
Bananas feed
Our mammal machines
Now listen while I eat
My Green Tangerine

[END]

Listen while I eat.....
