

DARK MALL

[INTRO]

[VERSE]

I sure am tired of walking
All around this Mall
Think I'll sit over here
Just for a while to rest
I wonder what time this Mall closes

[2'nd VERSE]

Must have dozed off
Boy it's real dark in here
OH no
I'm locked in this
Dark Mall

{CHORUS}

*There's no escape
It must be fate
Your soul is mine
Forever in time*

[BRIDGE]

{CHORUS}

[END]
