THE TASMANIAN PAGAN ALLIANCE NEWSLETTER

AUTUMN 2005 NUMBER 32

Autumn Blessings

I have been delightfully busy these last three months travelling both interstate and around our lovely island. It was fantastic catching up with the North members at both moots and the Wassail event. I know that the South had Barbies over the summer months and we have the photos to prove it. Just to let everyone know that the Pagan Alliance now has its own email line (<http://groups.yahoo.com/group/tpatassie>) and it would be great if you all joined. Not only does it serve as a point of Tassie contacts but also you get to find out the details of meetings, pub moots and celebrations.

Autumn is here and as the sun dies in strength we will be celebrating the Equinox in style at Mayfield beach see if you can make it - a good time is guaranteed see the info within. In this issue we have of course some tasty bits of sex magic from Kate and Adel, more heartfelt poetry from Chris, thoughtful moments and of course our own Jill's Hedge. There is also a postcard from our travelling Whilomena. Thanks must also go to Mel and Adel who have contributed some beautiful photography and artwork for this issue.

I would like to welcome Kate's little girl into our community, a little darling who has been named Aurora Celeste and also Tansy has had a little girl named Aurelia Iris - WELCOME. Proud Jill (Tansy's mum) is now known as Glamour not
