#### Scribe Report:

##### **Scribe Report -- TGIS Run -- 22<sup>nd</sup> March 2008 -- in Cheeky Ass, near Cibubur**

THE DRIVE took 70 minutes from Kebayoran to Cikeas where we found the beer truck parked at the Police Depot by a huge concrete parade deck that used to be lovely sawah.

THE RUN was 65 minutes for middle-of-the-pack in a left loop (a runner's run in flat country.) The hares (SadistCock & WhipMe) were apparently constrained by the lack of a bridge to cross a river too deep & too fast to cross *a la naturale*, yet they managed to make good use of the remaining countryside considering that bulldozers have been busy carving out our hashing country to build tiny row houses for the masses.

THE CIRCLE was called to order by GM PowderBalls who gave DD's to: Sake for self-appointed Hash Flash; Tina for recycling her beer. GM said GeorgeBush popularity was at its highest during the hanging of Saddam Husein, but his ratings have dropped since then, so in a desperate attempt to improve ratings, he wants to dig up Saddam's corpse and re-hang him, so DD to Auditurd as Saddam look-alike. DD to JuicyBeaver who drove her car to hash, but gets so pissed that, once back in Jakarta, hires a bajaj driver to lead her the way home. GM awarded dd's to Katoi, Woody & Tina, all hashers who abandoned their faith & converted to Catholicism when they heard the Pope called for Catholics to have more sex. DD's for sex in the circle: JuicyB/Ricardo & KF/KFC. DD to ShortTime for always supporting TGIS. GM looking for aphrodisiac and every country has their own: MGM & ABinFckd said eat dry Tiger Dick, WoodyP said Japs eat yosabe, TexasTurd gets it up by eating hamsters, Auditurd oysters (juicy clams), RotanP said crocodile tail, BurntRadish said

throw rat balls in a blender for 3 minutes then add honey and bottoms up; Ricardo eats orange condoms; Homo gets his boner from potatoes. Then DD to SadistKock who tried but failed to convince his wife to become a suicide bomber. DD to EagerBeaver for wrong naming the GM as Darrrrrling. DD to EagerB for swapping partners mid-circle from Burnt Radish for Ricardo (younger).

Katoi Fcker awarded dd's during his HASH CASH REPORT: Wimbo for eat-but-no-pay & for last to pay; dd to Auditurd for sponsoring tonight's barrel after some arm twisting. DD to returners RotanPrick, RambutMerah, MGM, WoodyPecker, AC/DC, Ronny (French) & Praise Turd. DD to Outgoing HashTrash (JuicyBeaver) for corruption throughout last year and to Incoming HashTrash (KFC) who was given money to attend anti-KKN training but used the money to go to the salon. DD to GM cuz HashCash said most men who pay the run fee with a 100K note don't complain if don't receive the 30K change, except one wanker who keeps hounding him for his change and this is none other than the GM!! DD to Katoi for wrong name: it's Romancing the BONE, not Stone. DD to two-timers Romancing TheBone and Homo Simpson. DD to ABinFcked for showing fear (of being fcked) in the circle. DD to RotanPrick for gulping down all the peanuts. DD for low profile BurntRadish, Gay Gurkoff, ABinFckd, HomoSimpson, PraiseTheTurd, WoodyPecker. DD to Ricardo for NO PAY YET. DD to HashCash for premature DD to Wimbo for Last To Pay. DD to HashCash for good HC Rpt.

Run Discussor JuicyBeaver, forgetting to call in the Hares, said "Why go to InterHash when you have perfectly good hashing here in Cheeky Ass". EagerBeaver said Hash Shit cuz it was a good run fcked up by her sakit kaki and ran the whole way on one leg. Wimbo said Excellent Run. TexasTurd said it stunk cuz he passed a cigar-smoking rice farmer. PowderBalls said Hash Shit cuz the drive to the run was longer than the run. Kim agreed too short at 55 minutes & expects longer runs on Saturdays. Someone said good run cuz lots of paper. BurntRadish said it was a technical Hash Shit because there were three consecutive Check Arounds. Katoi said, "HEY RICARDO! PAY!" Homo said something incoherent about left/right, 5:45, paper too spaced out, good country so Excellent Run. Auditurd agreed Excellent Run. Huni said it was Easter Egg Hunt but she only found Ricardo's eggs, kurang enak, late come, lumayan. **AND NOW WE COME TO THE TRAGIC BIT:** now drunk from the overdose of power (and beer) that she held as Run Discussor, JuicyB made the intoxicated decision to call this a HASH SHIT (good run fcked up by too short). This decision met with a loud "boo" from most hashers present. Sadist & WhipMe looked stunned, believing (apparently) that they are incapable of laying a Hash Shit. Sadist allowed the toilet seat to be placed over his neck, but WhipMe refused it and stormed out of the circle, commanding Sadist to follow her. The Run Discussor was still in control of the circle, not having found out where the On-On would be, and yet the GM, without authority, barged in and with unprecedented audacity tried to change the verdict by trying to cast doubt on the Run Discussor's state of mind, implying that she was mentally impaired. This caused a furor in the circle (as most hashers were in exactly the same "mental condition" as JuicyB) and BurntRadish with equal audacity barged into the circle and scolded the GM for questioning the Run Discussor's decision. Burnt said that rules created by the Germans in WWII were that you never, never, ever change the Run Discussor's decision. Suddenly at this moment, JuicyB appeared to sober up and was inflicted by a terrible case of **RDR** (Run Discussor's Remorse). During the remaining time in the circle and on the way to the on-on and during the makan, and on and on JuicyB kept expressing her remorse for her drunken & perhaps hasty decision, wishing she could take it back and begged this Scribe to find a way to change it. She was, unfortunately, talking to Auditurd – the unfair recipient of many a Hash Shit and the unfair awarder of many an undeserved Hash Shit. Plus, this scribe got an earful from other hashers who said I would be a complete wank if I changed JuicyBeaver's bold decision which was made under the inspiration of the amber fluid. So, this Scribe's hands are tied and, like Burnt Radish, agree that, for better or worse, and RDR notwithstanding, the Run Discussor's decision STANDS. Hash Shit!!!

Return of the **WhereTheFckAreWe Award**. The WTFRW just returned from a well-deserved 4-wk holiday to Acapulco in the Mexican Riviera. He was sporting a deep tan & dressed in the latest beach fashion, still smoking the cigarette that followed sex with a Garuda flight attendant on the returning flight. HomoSimpson led the discussion without knowing fck all about the WTFRW Award. Nominees: RotanP for looking like the WTFRW; EagerBeaver for having sexy legs much like the WTFRW; HashCash nominated Ricardo for not paying his run fee despite several warnings, cuz he not sure where he was (in the end, ShortTime sponsored his 70K fee after Auditurd had sponsored ShortTime's 30K fee). Finally, Homo awarded the WTFRW to Ricardo who promised to have consensual sex with it every day till the next run.

On-on to E.P. for grub and more beer where we encountered a fashion show which begged the question, "why don't models smile?" The cast of 10 long-legged, skinny models clearly could use some of E.P.'s Tandoori Chicken with double Naan Bread to put meat on their bones. Anyway, the dresses were lovely, but they really should replace those grim looks with smiles. Their cat-walk stage provided a good dance floor for many happy mabuk hashers. And then we got seriously pissed. See you at the next TGIS.
