

YOU CAN LIVE YOUR DREAMS

The beginning of your success lies in your imagination.
Visualize all the things you want in your life.
Then make your mental blue print and begin to build.

You can make your dreams work and produce for you.
You can make every thought, every fact,
that comes into your mind pay you a dividend.

Your imagination will show you
how to turn your possibilities into reality.
The will to succeed springs from the knowledge
that you can succeed.

Think of things not as they are, but as they might be.
Don't merely dream, create.
You owe it to yourself to live your dreams.
