Skill Focus: Keen Hearing	Nearsighted	Unrefined	Dominion Communications Armband	

#### Background Data

A male Vorta, Weyoun was chosen to command the Dominion incursion into the Alpha and Beta Quadrants. Weyoun always tries to be pleasant and positive, except on the rare occasions that his lies are thrown back in his face, or he's seriously threatened. Weyoun, like all Vorta, worships the Founders devoutly. These stats are for the seventh such Weyoun clone (although others would be nearly identical).
