Background Data

Although she has never had a vision from the Prophets, Winn Adami rose to the position of Kai, the religious leader of all of Bajor, through ardent and ruthless politics. She is jealous of Benjamin Sisko's position as Emissary of the Prophets, but has betrayed her inner faithlessness and selfishness to the crew of Deep Space Nine on several occasions, such as during the prophesied Reckoning. Soon, evil forces may find a better use for her ...
