

Registration Agreement for Troop 652

Purpose: On January 16, 2001 the Committee decided that:

1. The Troop Policies were not widely known nor were they consistently applied. All members of Troop 652 and their families should (a) be made aware of the Policies, and (b) asked to agree their provisions.
2. Some of the attrition this year might have been avoided had the Troop Policies been followed at Troop Meetings and on Outings. We recommitted to the Troop Policy provisions and agreed that the scouts who have been inactive would be invited to re-evaluate the troop.
3. All boys would be dual registered at St. Basil's (Cleveland Council) and at Hale Farm and Village (Akron Council). The reduction in fees for Summer Camp at Camp Manatoc more than compensates for the additional registration fees.

Instructions:

1. **Identification:** Review the information shown for wrong or missing information and make corrections.
2. Read the **Troop Policy Manual:** Scouts, Scouters (volunteers) and Parents should read and agree to the Policies because it contains provisions for each.
3. **Agreement:** Scouts and Parents must sign where indicated in the Agreement. Parents' signatures cover all scouts in the family. Scouters (Registered and/or unregistered Adults or Leaders) must sign for themselves.
4. **Return the form and payment** (checks payable to "Troop 652") - you can staple them together - to Cliff Bellmore, Secretary Troop 652, in person at the Troop meetings, or by mail at 7825 Oakhurst Circle, Brecksville OH 44141 at or before the February 15th Meeting.
