

Boy Scout Troop 652 August South Bass Trip

August South Bass Trip
August 2-4, 2002

Preliminary Info: We will Be Going to South Bass Island (Also Known As Put-In-Bay) to Water Ski, Swim and Bike. More information on activities (fishing etc) will be provided at the meetings as well as the scheduling of drivers and departure times. Bikes are highly recommended since we will only take a few cars on the island itself. Parents are needed to drive. We will probably need to have some vehicles with the troop's equipment to leave early on Friday (around 4:30 pm) to guarantee a spot on the ferry. The rest can come a few hours later. Those going on Saturday will have to provide their own transportation and Ferry passage. We will be camping in the State Park group area. This will be a fun trip and a chance for all the boys to relax, but they will be getting credit towards the camping merit badge and can work on their Water Skiing Badge if they wish. **This is just two weeks away so please respond promptly see we can plan the meals and schedule the rides. Please let us know if you are driving so we can get the drivers information from you to get our tour permit. Adult Fee to be Determined.**
