

FALCON TRAIL PATCH

FALCON TRAIL PATCH REQUIREMENTS

Patches are available for hikers completing these requirements:

1. Each hiker must complete the entire trail. More than one day may be used.
2. Each hiker must perform one-half hour of conservation work along the trail.
3. Each group must identify 10 different species or varieties of vegetation and/or wildlife seen along the trail.
4. The group leader must complete and submit the application form for the group.
