

## MITOSIS AND MEIOSIS COMPARISON CHART

	MEIOSIS	MITOSIS
<p>Number of Divisions that occur?</p> <p>Number of daughter cells?</p>		
<p>Identical or different daughter cells?</p>		
<p>Which types of cells undergo the process--somatic or gamete cells?</p>		
<p>Where does each process occur?</p>		
<p>Which cells in females are produced in each process?</p>		
<p>Which cells in males are produced during each process?</p>		
<p>How many chromosomes are found in each cell after division?</p>		
<p>Are cells haploid or diploid?</p>
