SUBJECT: Request for permission to Marry.

TO : COMMANDING GENERAL, I CORPS, (USA) APO 301

- 1. It is re uested that I be granted permission to marry an Australian girl, Miss Betty Millard, age 21 years, of, c/o Chevron Hotel,519-St. Kilda Rd., Melbourne, Victoria
- 2. Both Miss Betty Millard and I have read and understand the provisions as outlined in USAFFE Regulation 10-10, dated March 1943.
- (a). I am not married or involved in any former marital status or allegiance.
- (b). I understand that, should authority to marry be granted, the United States Government is obligated in no way to transport the wife or dependents to the United States during the present emergency.

(c). In addition to my army pay, I have no other income at present. I have \$10,000 NSL insurance to which the prospective wife would be made beneficiary if permission to marry is granted.

- (d). I understand that personnel who marry, with or without approval, will not be given special consideration of any sort on account of family duties and responsibilities. Personnel on duty will be required to live with their organizations.
- (e). Military personnel who have been authorized to marry and who are entitled by law to quarters, will not be furnished with quarters in kind.
- (f). Dependents of military personnel who marry in Australia are not entitled to medical or dental services, baggage or transportation allowances or to Post Exchange or Commissary privileges.
- 3. Although both parents are living they are not now, or likely to become, dependent upon me. Attention is invited to attached certificate.
