

# SOUND HEALING SERVICE

With Sound Healing & Tuning Fork Practitioner

## Raoul Bedi, BAsC

- Opens the Breath and Voice
- Brings Peace, Joy and Mental Clarity
- Relieves Stress and Reduces Anxiety
- Powerful Tool for Self Healing
- Positive Life Transformation and More !

A “Sound Healing” can make use of mantra, toning, affirmation, breath, visualization, light touch and sonic instruments , such as **tuning forks** , to help facilitate the release of unwanted energy and the enjoyment of profound spiritual experiences. Using tuning forks the brain hemispheres are balanced , the energy centres purified and tension and blockage reduced . Each session is unique and is a combination of technique and the moment to moment intuition of the Sound Healer.

**About the Practitioner :** Raoul Bedi was initiated into the sacred sound healing practice at the foothills of the Himalayas in October 1987. In addition , he has been trained in a variety of other supportive healing modalities including Ayurveda , Yoga & Meditation , Conscious Breathing, Body Electronics, Pranic Healing, Solar Gazing and Raw Food Nutrition. Now available for private sessions in Greater Vancouver .
