Sub: MBA Program of IBS – Management Research Project

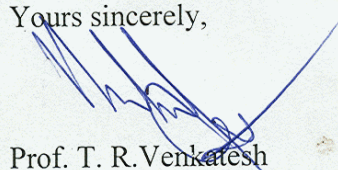

ICFAI Business School (IBS), sponsored by the Institute of Chartered Financial Analysts of India (ICFAI) was set up in 1995 to impart high quality education, research, consultancy and training in the areas of Management. Through its fourteen centers set up across the country (IBS Bangalore being one of these centers), IBS offers two- year Post Graduate Programs in Management with specialization in Finance, Marketing, Information Technology and Human Resources.

As part of the 2-year, four-semester program, the students are required to do Management Research Project (MRP) on an industry during the fourth semester. The MRP is from Nov 1, 2005 to March 18, 2006.

Mr.Vidhan Pandya is our MBA student in the fourth semester, and would approach you for certain information from your organization. Kindly consider the request and render necessary assistance in this regard. The information shared by you for the MRP will be confidential, used purely for academic purposes and not for any commercial purpose.

Thanking you,

Yours sincerely,

Prof. T. R. Venkatesh
