

### Statement of Purpose

My name is Asim Ali Samejo. I have done my masters in Digital Communication from university of Kiel (Germany). I have seen many WLL related job vacancies at ptcl.com

I am currently staying in Germany. I would like to move to Pakistan if I can find a job relevant to my professional qualification. I possess excellent interpersonal communication skills, fluent in English, Russian and German apart from local Pakistani languages.

I am very familiar with the modern mobile communication standards such as GSM/EDGE, UMTS, DECT and VoIP based telephony. I have also studied in detail the optical transmission standards and their hierarchy. I have good knowledge of computer networks and routing protocols. I have basic knowledge of RF circuitry such as transceivers and amplifiers, I got to learn fundamentals of network planning in our lectures here in Kiel. Details of my academic and professional achievements can be found in the CV attached hereby.

Yours sincerely,

Asim Ali
