Synopsis: Shiori Fujisaki starts her 2nd year in Kirameki Highschool with vague memories of her childhood. On the first day of school when she arrives at the gate, Rei Ijuuin, the Principal's grandson, makes his usual grand entrance via a limousine and cheering girls, a routine he's gone through since junior high. However, a new male transfer student in a black leather jacket arrives as a passenger on a motorcycle, and when he removes his helmet, he's dashing handsome with a greased hairdo and carries himself like a debonair gentleman, effectively drawing the girls away from Rei.
