

Wyandotte High School

CLASS OF 1965

Issue 4

October 2006

The Reunion Weekend— August 12th & 13th, 2005 was a Blast!

Red & White were the colors of the evening with balloons, wine and candles decorating the tables... ..very festive indeed!

The reunion weekend was really a great time. We started with an Icebreaker at the Holiday Inn in Overland Park. What a turnout we had!! We filled the restaurant/bar with faces from the past. It was great seeing so many old friends.

Then we had to rise and shine early to be at the school at 10:00 o'clock for the school tour. Craig Delich

was our tour guide. Craig is a classmate from '65 and also a retired school teacher and School Historian for Wyandotte High School. I know that many loved seeing the halls of Wyandotte once again. Many fond memories were held there. It was great to remember all the good times we spent at school with our friends.

Then it was off to rest and dress for the main event of the evening. Red and white were the colors of the evening. The tables were decorated with red/white balloons and votive candles and a bottle of wine. The wine was given as a prize to one classmate at each table.

We had over 100 door prizes and 6 grand prizes to

give away that evening. The value ranged from \$10 to over \$500. All were donated by area businesses and classmates.

Craig Delich was our guest speaker for the evening. He told us some very interesting facts about Wyandotte that I'm sure none of us knew about! Thank you Craig for a job well done!

The evening was then rounded off with dancing and visiting with our fellow classmates.

It was truly a weekend that will hold many fond memories for everyone.

The reunion weekend was truly a blast!

Former Teachers as Honored Guests!

The planning committee decided to invite some teachers that taught during '62-'65 to the reunion as our special guests.

We were fortunate to have several still with us and 5 that were able to attend the reunion. We cannot tell you how touched and pleased

we were when it was announced that we had some very special guests at our reunion and everyone responded with a standing ovation to Coach Shublom.

It was really awesome! We were very proud that you all continued the standing ovation to our other guests Don

and Connie Moritz, Mr. Clyde Strimple and Mr. Paul Palmer. What a great tribute to those teachers. Our thanks to all of you for making their time with us memorable as well.

As Coach Shublom said:

Let's go for 50!

Old Friends Reuniting

40 years!! Has it really been that long?

I never thought I would recognize all these faces, but the memories just came flooding back. We sure have enjoyed seeing each other again.

I think everyone enjoyed the ice-breaker on Friday evening.

I truly enjoyed touring the school on Saturday morning. That really brought back some good memories.

by Marilyn Schreiber Young

All things considered, this reunion brought us together again in a happy, fun way.

Sure hope to see all of you again.

I saw so many smiling faces the weekend of the reunion and the events were just wonderful.

We have all gone down different roads and came together again to share new events and to become reacquainted.

Reunion Night Group Photo

While at the reunion we had a group photo taken of all those that attended the reunion. I have the photo posted on the website.

I have been asked if we could have a list of who each person is in the photo posted on the website with the photo.

Well, I hate to admit this but I

cannot remember everyone's name. So I am asking for your help.

If you can find your picture and tell me who is standing on both sides of you in the photo and send me the information I would be very grateful! It would be of great help if you could tell

by Donna Kitchen Albright

me what section of the photo you are in, what row in the section, maybe the color of your clothing, etc... And of course your name, maiden name, etc... ..

I will then get the list compiled and posted on the website for all to see.

Thanks for your help!!!

Classmate Craig Delich was invited to speak as our guest speaker at the reunion dinner dance.
