

Your Master Bedroom

Your Master Bedroom is big enough for a King Size Bed (Frame, mattress, headboard, dressers are included). In front of the bed are 2 massive custom built closets with mahogany doors.

Custom Built mahogany closets line the 16 foot wall and has enough space for all of your clothing as well as plenty of extra storage as you can see.

In addition to cloths & storage, your closet comes with a built in Entertainment Center which includes a 27" Sony TV with a VCR and DVD. Late night watching is no problem since you are wired to headphones and an amplifier/radio/cassette deck at the head of your bed.
