THE NEW WINEMAKING EXPERIENCE

MAKE YOUR OWN WINE FOR FRACTION OF THE PRICE

At Thornhill Winery, we specialize exclusively in winemaking. We offer an extensive selection of red, white and specialty wines to suit your taste. Once you have made your choice of wine, we closely monitor the fermentation process for you as your wine matures. After 4 to 6 weeks, your very own vintage is ready to be bottled, labeled and taken home.

Making your own wine is fun, easy, and best of all affordable. It costs a fraction of the price of those bought from liquor stores, with better quality in richness and taste.

**A batch of 30 bottles starts from \$108
That's less than \$4 a bottle!**

Our experienced staff will help you create your own bottle with professionally designed labels, shrink wraps and corks that are all included with your purchase. We can also help you design your own labels for parties or any special events.

OUR PRODUCTS

We carefully choose our quality wine kits from RJ Spagnols, Canada's leading manufacturer of grape juice and concentrate for the past 50 years. It has won numerous awards at international wine competitions.

RJ Spagnols marries tradition with innovation and offers a collection of classic old world favourites and exciting new world wines to be enjoyed young or after several months of aging.

The grapes are harvested from vineyards around the world, and the process to juice and concentrate is 100% natural, meaning no sugar, preservatives, and chemicals were added.
