

JULY 11th, 2009

THE GREAT ANNUAL FISH COUNT

**Want to learn more about what you are seeing on your dives?
Want to participate in a valuable volunteer monitoring event?**

Then attend a free seminar....

Identification of Southern California Fishes

Free Training Seminar offered by local fish ID experts:

June 11th, 1 pm - 4 pm,

1021 N. Harbor Drive

Redondo Beach, CA 90277

For more information, visit the Greater L.A. Council Divers Webpage at

www.glacd.org

The presentation will include local fish identification, their habitats and behaviors, and a description of the easy to use survey method.

For More Information about the GAFC:

www.fishcount.org

The lecture will be a fun and informative lesson on how to identify the fish of Southern California. The lecture is intended for all ages and for all fish enthusiasts including divers, snorklers, and anglers.

TAKE A SURVEY DIVE!

two opportunities:

Saturday July 18th, 8 am at Long Point with GLACD

Sunday, July 19th, 8 am at Malaga Cove, Palos Verdes with Dive N'Surf
